**Glacier
Unitarian Universalist
Fellowship**

We are a welcoming, supportive fellowship that nurtures the spiritual, intellectual and social needs of our members of all ages through the open inquiry into inspirational experiences, diverse beliefs, and religious traditions.

THE LIVING TRADITION WE SHARE DRAWS FROM MANY SOURCES!

Direct experience of that transcending mystery and wonder, affirmed in all cultures, which moves us to a renewal of the spirit and an openness to the forces that create and uphold life;

Words and deeds of prophetic women and men which challenge us to confront powers and structures of evil with justice, compassion, and the transforming power of love;

Wisdom from the world's religions which inspires us in our ethical and spiritual life;

Jewish and Christian teachings which call us to respond to God's love by loving our neighbors as ourselves;

Humanist teachings which counsel us to heed the guidance of reason and the results of science, and warn us against idolatries of the mind and spirit.

Spiritual teachings of Earth-Centered traditions which celebrate the sacred circle of life and instruct us to live in harmony with the rhythms of nature.

Grateful for the religious pluralism which enriches and ennobles our faith,

We are inspired to deepen our understanding and expand our vision.

As free congregations we enter into this covenant, promising to one another our mutual trust and support.
